Section I – Introduction

This directory provides a list of ConnectiCare’s Medicare Advantage network providers for ConnectiCare Choice (HMO-POS) plans, ConnectiCare Choice Dual (HMO-POS D-SNP) plans, and ConnectiCare Flex (HMO-POS) plans. **This directory is NOT for members of Passage Plan 1 (HMO-POS).**

For ConnectiCare Choice Plan 1 (HMO-POS), ConnectiCare Choice Plan 2 (HMO-POS), ConnectiCare Choice Plan 3 (HMO-POS), ConnectiCare Choice Dual (HMO-POS D-SNP), ConnectiCare Choice Dual Vista (HMO-POS D-SNP), ConnectiCare Flex Plan 2 (HMO-POS), and ConnectiCare Flex Plan 3 (HMO-POS), this directory provides a list of ConnectiCare’s Medicare Advantage network providers in the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland, and Windham.

You can choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP. If you do not select a PCP, one may be selected for you.

The “network providers” listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. You may go to any providers listed in this directory; however, some services may require prior approval from ConnectiCare.

Out-of-network coverage

All ConnectiCare Medicare Advantage plans, EXCEPT ConnectiCare Choice Dual (HMO-POS D-SNP) and ConnectiCare Choice Dual Vista (HMO-POS D-SNP), cover worldwide emergency care and urgently needed services; see your Evidence of Coverage for your cost share. You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan’s service area or when network providers are unavailable. You do not need to get approval from your PCP or other network provider for emergency or urgent care. When your condition has stabilized, you are still entitled to post-stabilization care. In general, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

If you are enrolled in a ConnectiCare Choice Plan, you must use plan network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor ConnectiCare will be responsible for the costs.

If you are enrolled in a ConnectiCare Flex Plan, you may get your covered services from any Medicare-approved provider in addition to network providers. Please note that it may cost more to get care from out-of-network providers; see your Evidence of Coverage for more information.

Out-of-network/non-contracted providers are under no obligation to treat ConnectiCare Medicare Advantage members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a coverage decision before you receive the service. Please call ConnectiCare’s Member Services number or see your Evidence

of Coverage for more information, including the cost-sharing that applies to out-of-network services.

When you receive covered services from an out-of-network provider, ask the provider to bill ConnectiCare directly. However, if you receive a bill from the provider, do not pay, please send it to the address below. You are only responsible for paying your plan cost sharing amount as long as you follow the plan rules and the provider is Medicare-approved and accepts Medicare assignment.
