Section I – Introduction

This directory provides a list of ConnectiCare’s Medicare Advantage network providers for ConnectiCare Passage Plan 1 (HMO-POS) in the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland, and Windham. This directory is NOT for members of ConnectiCare Choice (HMO-POS) plans, ConnectiCare Choice Dual (HMO-POS D-SNP) plans, and ConnectiCare Flex (HMO-POS) plans.

As a member of ConnectiCare Passage Plan 1, you will need to select a PCP from the Passage network, or one will be selected for you. At any time, you can select a different PCP in the Passage network. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

The “network providers” listed in this directory have agreed to provide you with your health care/ vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. You may go to any providers listed in this directory, however:

Out-of-network coverage

ConnectiCare Passage Plan 1 covers worldwide emergency care and urgently needed services; see your Evidence of Coverage for your cost share. You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan’s service area or when network providers are unavailable. You do not need to get approval from your PCP or other network provider for emergency or urgent care. When your condition has stabilized, you are still entitled to post-stabilization care. In general, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

If you are enrolled in the ConnectiCare Passage Plan 1, you must use plan network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor ConnectiCare will be responsible for the costs.

Section I – Introduction

When you receive covered services from an out-of-network provider (because of an emergency or urgent care situation or with prior approval), ask the provider to bill ConnectiCare directly. However, if you receive a bill from the provider, do not pay, please send it to the address below. You are only responsible for paying your plan cost sharing amount as long as you follow the plan rules and the provider is Medicare-approved and accepts Medicare assignment.
