

Select Drug List

for Municipalities

2024

ConnectiCare[®]

This document is the complete ConnectiCare pharmacy drug list, or formulary, that is covered by your employer-sponsored plan for municipalities. This drug list is effective for plan year 2024. It is updated monthly and the last update was on April 1, 2024. The list is subject to change as new drugs come to market or are removed from the market. Please check the Pharmacy Center on connecticare.com for the most up-to-date drug list covered by your plan.

What is the Select Drug List?

It's a list of covered drugs — both generic and brand-name drugs — selected by ConnectiCare in consultation with a team of health care providers. It includes the prescription therapies believed to be a necessary part of a quality treatment program. ConnectiCare will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a ConnectiCare network pharmacy and other plan rules are followed.

How do I use the formulary?

To search for your drug within the formulary, please refer to the:

- *Table of Contents* on page 1 and look for your drug under the therapeutic class sections; or
- *Index*, which starts on page 172, and look for your drug and the corresponding page.

This formulary will tell you what tier your drug is in. A drug tier is a group of medications included within a similar price range. Check your benefit summary to see what your cost-share is for the drugs in each tier.

Tier	What drugs are included
Tier 0	Drugs covered under health care reform
Tier 1	Generic drugs
Tier 2	Preferred brand-name drugs
Tier 3	Non-preferred brand name drugs

*Specialty drugs — filled by a specialty pharmacy and limited to a 30-day supply — are prescription medications that often require special storage, handling and close monitoring by you, your doctor or pharmacist. These drugs, designated as “limited availability” (LA) in this formulary, are used to treat complex conditions.

If your doctor prescribes a drug that is not listed, please contact ConnectiCare for further information on coverage of the product in question. If it's appropriate, ask your doctor about a generic medication or a more affordable alternative that is included in the drug list. Refer to your benefit summary by logging in on connecticare.com to determine actual cost-share amounts applicable to your plan.

What are generic drugs and brand-name drugs?

A generic drug is approved by the U.S. Food and Drug Administration (FDA) as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

This formulary differentiates between the two kinds of drugs by how they are presented on the list:

- generic drugs are italicized and spelled out in lowercase letters
- brand-name drugs are not italicized and spelled out in uppercase letters

Under your plan, a pharmacist will fill a generic drug for a prescription whenever a generic is available. For the most part, this will happen even if your prescription is written for a brand-name drug. But you or your doctor can specifically instruct the pharmacist to fill the prescription with a brand-name drug. When this happens, you may pay more and the cost will depend on your plan benefits. Please refer to your plan documents for details.

Are there any limitations on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These are indicated in the formulary with initials after their names. Here is a key to the limitations and how you will see them noted in the formulary:

Preauthorization (PA)

Some drugs require preauthorization. This means that you or your doctor will need to get approval from us before you fill your prescriptions. If you don't get approval, the drug may not be covered and you may be responsible for the entire cost of the medication.

Preauthorization requests can be faxed to the ConnectiCare Pharmacy Services Department at 1-800-249-1367 by the prescribing physician's office. A form for submitting a request can be found on connecticare.com. If we deny a preauthorization request, we will notify you and your doctor in writing with the reason and information on how to appeal.

Some drugs that require preauthorization must be filled at a specialty pharmacy. Please refer to the "limited availability" section below for more information.

Quantity limits (QL)

For certain medications, ConnectiCare limits the amount of the drug that we will cover. For example, ConnectiCare covers MAXALT (or its generic version, *rizatriptan*) for 9 tablets per 30 days. This may be in addition to a standard one-month or three-month supply.

Step therapy (ST)

In some cases, ConnectiCare requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.

Limited availability (LA)

Drugs labeled "LA" for "limited availability" must be filled by ConnectiCare's preferred specialty pharmacy, Accredo, and are limited to a 30-day supply. These drugs are prescription medications used to treat complex conditions and often require special storage, handling and close monitoring by you, your doctor or pharmacist. For more information, please visit accredo.com.

Over the counter (OTC)

ConnectiCare does not cover over-the-counter drugs unless they are listed in this formulary and have been prescribed by a doctor. The formulary notes which drugs have any additional requirements or limits.

Affordable Care Act (ACA)

This refers to the preventive guidelines of the federal Affordable Care Act, also known as health care reform. Drugs marked "ACA" may be free to you if they are prescribed under the preventive care guidelines of the ACA. You will not have to pay any copayment, coinsurance or anything toward your deductible. More information on ACA-covered drugs is available [here](#).

Can I get my prescriptions delivered to my home?

Our pharmacy benefit manager, Express Scripts, provides convenient home delivery by mail. Home delivery may save you money if you refill drugs every month and think you will be on the same drug(s) for six months or longer.

Home delivery is as safe as going to your local pharmacy. Express Scripts pharmacists check every order for accuracy and are available 24/7 to answer your questions. To

compare costs and sign up for home delivery, visit express-scripts.com or call Express Scripts at 1-877-603-1032.

How do I contact someone at ConnectiCare?

To reach Member Services:

- Call 1-800-251-7722 (TTY: 1-800-833-8134) Monday to Friday 8 a.m. to 6 p.m.
- Send a secure message by logging into connecticare.com.
- For general questions *only*, email us at info@connecticare.com. Please do not use this address to send any personal, confidential or medical information, such as member ID, Social Security number or medical information. This is a regular email address that is not secure.

To reach Provider Services:

- Call 1-800-828-3407 Monday-Friday, 8 a.m. to 6 p.m.
- For preauthorization requests or any medical management issue, call 1-800-562-6833 Monday-Friday from 8 a.m. to 5 p.m.
- Use our website at connecticare.com/providers to check benefit eligibility and claims status, review medical criteria and find forms.

If you need to mail us anything, send to:

ConnectiCare
Attention: Pharmacy Department
175 Scott Swamp Road
P.O. Box 4050
Farmington, CT 06034-4050

More contact information is available at connecticare.com.

Accessibility and Nondiscrimination Notice:

ConnectiCare complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. ConnectiCare does not exclude people or treat them differently because of race, color, national origin, age, disability or sex.

ConnectiCare:

- Provides free aids and services to people with disabilities to communicate effectively with us including qualified interpreters and information in alternate formats.
- Provides free language services to people whose primary language is not English, including translated documents and oral interpretation.

If you need these services, contact The Committee for Civil Rights.

If you believe that ConnectiCare has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance with:

The Committee for Civil Rights
ConnectiCare
175 Scott Swamp Road
Farmington, CT 06032
1-800-251-7722 (TTY: 1-800-833-8134)

You can file a grievance in person at 175 Scott Swamp Road, Farmington, CT, or by mail or fax (860) 674-2232. If you need help filing a grievance, The Committee for Civil Rights is

available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office of Civil Rights Complaint Portal, available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, DC 20201

List of Abbreviations

ACA: Affordable Care Act.

LA: Limited Availability. This prescription may be available only at certain pharmacies. For more information, please call Customer Service.

OTC: Over the Counter. An OTC drug is a non-prescription drug.

PA: Prior Authorization. The Plan requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the drug.

QL: Quantity Limit. For certain drugs, the Plan limits the amount of the drug that we will cover.

ST: Step Therapy. In some cases, the Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.
