

## SMALL-GROUP ATTESTATION REGARDING EMPLOYER FUNDING OF DEDUCTIBLE OR COINSURANCE PLANS

ConnectiCare is committed to providing clients with affordable health insurance options for their employees. Inherent in the pricing of ConnectiCare’s deductible plans (both up-front deductible and hospital deductible plans) and its coinsurance plans is an actuarial assumption that the members will be responsible consumers of medical care and will be liable for the intended member out-of-pocket expenses.

To maintain the integrity of the pricing of the deductible products, ConnectiCare is requiring that an officer of the company and the company’s agent-of-record attest to the employer’s strategy for funding any portion of the employees’ out-of-pocket medical expense exposure. The employer funding strategy will impact the pricing of these plans.

**Please indicate your deductible plan funding strategy below:**

Note: ConnectiCare underwriting guidelines do not allow any employer funding on 50/50 coinsurance plans.

1) No employer funding of an FSA, HRA, HSA or any other self-funded mechanism \_\_\_\_\_

2) Annual employer contribution to an FSA, HRA, HSA or some other self-funded mechanism is:

\$\_\_\_\_\_ Employee    \$\_\_\_\_\_ Family

3) Additional details (i.e. employer funding is tied to participation in wellness program; funding varies by employee salary; etc.) Please be specific in your explanation:
