

Medication Therapy Management Program

Equipectg offers a special Medication Therapy Management (MTM) program for our members with the following conditions:

- Asthma
- Rheumatoid Arthritis
- Chronic Heart Disease
- Schizophrenia

The MTM program is conducted by Equipecte on an opt-out basis and is free of charge. The goal of the program is to help you better manage your condition(s) through:

- improved communication with your treatment team,
- assistance following your doctor's treatment plan, and
- helping you stay on your medications.

You will be automatically enrolled in the MTM program if you:

- are enrolled in a plan with Part D benefits,
- receive benefits for covered Part D drugs,
- have received seven or more distinct Part D prescription drugs,
- have filled prescriptions for at least three of the following diseases:
 - Asthma
 - Rheumatoid Arthritis
 - Chronic Heart Failure
 - Schizophrenia, AND
- are likely to have prescription costs for covered Medicare Part D drug that exceed \$3,000 per year. Or, are likely to have prescription costs that exceed \$750 per quarter.

Once enrolled, you will receive private counseling from Clinical Pharmacists about the prescription drugs you are taking. The Pharmacists will be available to answer future questions you may have. You will be monitored to ensure you are following your doctor's treatment plan and we will consult with your doctors to enhance the effectiveness of your care. Your treatment team will receive quarterly medication compliance reports and prescribing providers will receive a quarterly report. A Comprehensive Medication Review is also conducted at the end of the year.

If you would like to learn more about the MTM program or wish to no longer participate in the MTM program, please call ConnectiCare at **1-888-447-0321** Monday through Sunday, 8:00 a.m. to 8:00 p.m. TTY/TDD users should call **1-800-842-9710** Monday through Sunday, 8:00 a.m. to 8:00 p.m.

Although the MTM is a program provided to you, it is not considered a benefit.
