This section of the directory applies only if your plan includes preventive dental coverage and/or you have purchased a ConnectiCare optional dental plan in addition to your Medicare Advantage plan.

This section provides a list of network dental providers for ConnectiCare's Medicare Advantage plan members who have purchased a plan with preventive dental coverage and/or have purchased an optional dental plan. For more information, including exclusions and limitations, please see your Evidence of Coverage (EOC).

Dental coverage for ConnectiCare is administered by HealthPlex.

This directory is current as of March 29, 2024. Some network providers may have been added or removed from our network after this directory was printed. To get the most up-to-date information about ConnectiCare network providers in your area, you can use our online provider directory, "*Find a Doctor*," at connecticare.com/medicare or call HealthPlex Member Service at **855 973-2803** from 8 am to 8 pm ET, seven days a week. TTY users should call **800-662-1220**.

Section I – Introduction

This section provides a list of network dental providers for ConnectiCare Medicare Advantage plan members who have purchased a plan with preventive dental coverage and/or have purchased the optional dental plan. For more information, including exclusions and limitations, please see your Evidence of Coverage.

The network providers listed in this directory have agreed to provide you with dental care.

What is the service area for ConnectiCare?

Our service area includes all eight counties in the State of Connecticut. This directory provides a list of ConnectiCare Medicare Advantage current network dental providers in the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland, and Windham.

How do I find ConnectiCare network providers in my area?

There are two quick ways to find a dentist who participates in our network:

1. Use “*Find a Doctor*,” our online provider directory, at **connecticare.com/medicare**. It has the latest additions and changes to our provider network;
2. Look in the printed directory for a network dental provider in the town in which you live or work (or nearby).

The information in the printed directory is accurate as of March 29, 2024. Provider participation is subject to change at any time throughout the year and cannot be guaranteed. Before you visit any dentist, make sure to confirm that his or her network provider status has not changed by calling the dentist’s office.

For the most recent changes and additions to our dental provider network, you can use “Find a Doctor” at **connecticare.com/medicare**. You can also call HealthPlex Member Services at **855 973-2803** from 8 am to 8 pm ET, seven days a week. TTY users should call **800-662-1220**.

Can I receive care from non-network providers?

Yes, however, you save money when you use network dental providers (dentists who are listed in this directory or our online provider directory). If you see a non-network provider for covered dental services, the provider may bill you for the difference between the contracted dental rate and the rate charged by the non-network provider. You should ask the non-network provider to bill ConnectiCare directly using the address on the back of your dental ID card.
