

Member Choice Pharmacy Benefit

Fixed Funding Solutions Plans

All plans in the Fixed Funding Solutions suite include Member Choice, a benefit that offers pharmacy choices for maintenance drugs (medicines you take every day, month after month).

Members are required to get convenient, 90-day supplies with a choice of filling these prescriptions at either CVS or Walgreens, or through Express Scripts mail order. Other prescriptions can be filled at any in-network pharmacy.* Members have the option to switch their pharmacy chain once per plan year.

Maintenance medicines include drugs such as those used to treat or manage cholesterol, diabetes, and high blood pressure. They may also include prescriptions for birth control and osteoporosis prevention.

Benefits of the program include:

- **Convenience:** Medicines delivered right to a member's home — or fewer trips to the pharmacy.
- **Better adherence:** Easier for members to stay on track with medicines and manage their health.
- **Savings:** depending on plan design, members may save on copays.

Transition Support

Plan members on maintenance medicines will receive a letter with more details on how Member Choice works. Members may receive up to two (2) 30-day fills at any in-network retail pharmacy. After that, a member has to get a 90-day supply filled through Express Scripts home delivery or at a CVS or Walgreens pharmacy.

Any member who continues to choose 30-day refills will have to pay full retail cost. The cost will not apply to their deductible or out-of-pocket-maximum.

Contact Express Scripts to sign up for home delivery or find a nearby CVS or Walgreens pharmacy.
Call: **1-800-369-0675** or visit: **[express-scripts.com/90day](https://www.express-scripts.com/90day)**

*Please note, if a member chooses to fill maintenance medicines at CVS, Walgreens will become out-of-network for them. If they select Walgreens, CVS will become out-of-network. ESI mail order for maintenance drugs will continue to be an option at any time, even after you choose a retail network. Copayments for 90-day supplies will be the same whether filling through Express Scripts home delivery or the participating pharmacy.
