

2024 Connecticut Small Group Fixed Funding Solutions Health Plans

Medicare Part D Creditable Coverage Compliance Summary

According to the Centers for Medicare and Medicaid Services, your employer-group clients are required to notify their Medicare-eligible employees annually, by October 15, about whether their employer-sponsored prescription drug plan is at least as good as the standard Medicare prescription drug program. This is defined as “creditable coverage.”

Employers are also required to notify eligible members of creditable coverage status when a member becomes newly eligible for Medicare, at any time a request for notification is received, and any time there’s a change to a member’s drug plan. Below is a summary of ConnectiCare’s 2024 Small Group FFS Plans offered to Connecticut employers for informational purposes only. *The creditable or non-creditable status of any plan design should be verified independently.*
