Summary of Benefits – ConnectiCare Flex Plans

January 1, 2021 - December 31, 2021

ConnectiCare, Inc. is a Medicare Advantage HMO/HMO-POS plan with a Medicare contract. Enrollment in the Plan depends on contract renewal. The benefit information provided is a summary of what we cover and what you pay for. It does not list every service that we cover or list every limitation or exclusion. Some services may require prior authorization. To get a complete list of services we cover, including those that require prior authorization, please request the "Evidence of Coverage." You can find this document on our website at **connecticare.com/medicare**, or call us at the phone number(s) below and we'll send you a copy.

Who can join?

To join a ConnectiCare Flex Plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in Connecticut: Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland, and Windham.

Which doctors, hospitals, and pharmacies can I use?

ConnectiCare Flex Plans have a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers, who are enrolled in Medicare, that are not in our network. Out-of-network/non-contracted providers are under no obligation to treat ConnectiCare, Inc. members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including cost-sharing that applies to out-of-network services. If you receive care from an out-of-network/non-contracted provider, we will pay for the same services we cover in-network, as long as the services are medically necessary. For a decision about whether we will cover an out-of-network service, you or your provider can ask us for a pre-service organization determination before you receive the service. Our member services number is 1-800-224-2273 (TTY: 711), available seven days a week from 8 a.m. to 8 p.m. Eastern.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at **connecticare.com/medicare**. Or, call us and we'll send you a copy.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies.

You can see our plan's provider and pharmacy directory on our website at **connecticare.com/medicare**. Or, call us and we'll send you a copy.

Summary of Benefits – ConnectiCare Flex Plans

January 1, 2021 - December 31, 2021

Prescription Drugs for ConnectiCare Flex Plan 1, Flex Plan 2 and Flex Plan 3 (HMO-POS)

Our plan groups each drug into one of five “tiers” (levels). You will need to use the formulary (list of covered drugs) to locate what tier a drug is on.

How much you pay for your prescription drugs depends on what tier your drug is in and what stage of the benefit you are in. There are four stages in your Part D prescription drug coverage.

Four Stages of Drug Coverage

Deductible

The deductible is the amount you pay before your plan starts to pay. This deductible is for retail and home delivery. There is no deductible for Tier 1 (preferred generic) and Tier 2 (generic) drugs. There is a deductible for Tier 3 (preferred brand), Tier 4 (non-preferred drug) and Tier 5 (specialty) drugs.

Initial Coverage

After you’ve reached the deductible, you’ll enter the initial coverage stage.

In this stage, you and the plan share the costs of some of the covered drugs until your total drug costs, including deductible, exceed \$4,130. The total drug costs paid by both you and our Part D plan will help you reach the coverage gap.

Summary of Benefits – ConnectiCare Flex Plans

January 1, 2021 - December 31, 2021

Mail Order Cost Sharing

ConnectiCare Flex Plan 1, Flex Plan 2 and Flex Plan 3			
Tier	Deductible	Initial Coverage \$0-\$4,130	
	You Pay	30-day supply	90-day supply
Tier 1: Preferred Generic	\$0	\$0	\$0
Tier 2: Generic	\$0	\$10	\$25
Tier 3: Preferred Brand	\$300	\$42	\$126
Tier 4: Non-Preferred Drug		\$95	\$285
Tier 5: Specialty		27%	Not available in long-term supply

If you live in a long-term care facility, you pay the same as at a standard retail pharmacy.

Coverage Gap

The coverage gap (also called the “donut hole”) starts after the total yearly drug cost (along with what our plan has paid and what you have paid) exceeds \$4,130.

While in the coverage gap in 2021:

- For Flex Plan 1, you will continue to pay your set copayments for Tier 1 and Tier 2 drugs, and 25% of the plan’s cost for Tier 3, Tier 4 and Tier 5 drugs.
- For Flex Plan 2 and Flex Plan 3, you will pay 25% of the plan’s cost for all drugs.

The costs paid by you, and the manufacturer discount payment for brand-name drugs count toward your true out-of-pocket costs and help you get out of the coverage gap.

Not everyone will reach the coverage gap.

2021 Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-877-224-8220 (TTY: 711). From October 1st to March 31st, you can call us 7 days a week from 8:00 a.m. to 8:00 p.m. EST. From April 1st to September 30th, you can call us Monday through Friday from 8:00 a.m. to 8:00 p.m. EST.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit connecticare.com/medicare or call 1-877-224-8220 (TTY: 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2022.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services provided by a non-contracted provider, the provider must agree to treat you. Except in emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
