You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at connecticare.com/medicare. Or, call us and we'll send you a copy.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. Medicare Part D Drugs

Our plan groups each drug into one of five “tiers” (levels). You will need to use the formulary (list of covered drugs) to locate what tier a drug is on. How much you pay for your prescription drugs depends on what tier your drug is in and what stage of the benefit you are in. There are four stages in your Part D prescription drug coverage.

Four Stages of Drug Coverage

Deductible

The deductible is the amount you pay before your plan starts to pay. This deductible is for retail and home delivery.

There is no deductible for Tier 1 (preferred generic) and Tier 2 (generic) drugs. There is a deductible for Tier 3 (preferred brand), Tier 4 (non-preferred drug), and Tier 5 (specialty) drugs.

Initial Coverage

After you’ve reached the deductible, you’ll enter the initial coverage stage.

In this stage, you and the plan share the costs of some of the covered drugs until your total drug costs, including deductible, exceed \$4,430. The total drug costs paid by both you and our Part D plan will help you reach the coverage gap.

Retail Cost-Sharing

ConnectiCare Choice Plan 1 30-Day Supply of Drugs					
Tier	Deductible	Initial Coverage \$0-\$4,430		Coverage Gap \$4,430-\$7,050	Catastrophic Over \$7,050
	You Pay	Preferred pharmacy	Standard pharmacy	You pay	You pay the greater of:
Tier 1: Preferred Generic	\$0	\$2	\$9	\$2/\$9*	5% or \$3.95
Tier 2: Generic	\$0	\$10	\$20	\$10/\$20*	5% or \$3.95
Tier 3: Preferred Brand	\$300	\$42	\$47	25%	5% or \$9.85
Tier 4: Non-Preferred Drug		\$95	\$100	25%	5% or \$3.95 for generic/ preferred multi-source drugs 5% or \$9.85 for all other drugs
Tier 5: Specialty		27%	27%	25%	5% or \$3.95 for generic/ preferred multi-source drugs 5% or \$9.85 for all other drugs

*Cost-share at a preferred pharmacy/standard pharmacy

Preferred Mail Order Cost-Sharing

ConnectiCare Choice Plan 1			
Tier	Deductible	Initial Coverage \$0-\$4,430	
	You pay	30-day supply	90-day supply
Tier 1: Preferred Generic	\$0	\$0	\$0
Tier 2: Generic	\$0	\$0	\$0
Tier 3: Preferred Brand	\$300	\$42	\$126
Tier 4: Non-Preferred Drug		\$95	\$285
Tier 5: Specialty		27%	Not available in a long-term supply

If you live in a long-term care facility or use a non-preferred mail order pharmacy, you pay the same as at a standard retail pharmacy.

Coverage Gap

The coverage gap (also called the “donut hole”) starts after the total yearly drug cost (along with what our plan has paid and what you have paid) exceeds \$4,430.

While in the coverage gap in 2022, you will continue to pay your set copayments for Tier 1 and Tier 2 drugs, and 25% of the plan’s cost for Tier 3, Tier 4, and Tier 5 drugs.

The 70% discount for brand-name drugs paid by the drug manufacturer, combined with the 25% you pay, counts toward your true out-of-pocket (TrOOP) costs. This helps you get out of the coverage gap. **Not everyone will reach the coverage gap.**

Catastrophic Coverage

After your yearly true out-of-pocket (TrOOP) drug costs exceed **\$7,050**, you will enter the catastrophic coverage stage. In this stage, you pay the greater of: 5% of the cost or you pay **\$3.95** for generic drugs (including brand-name drugs treated as generic) and **\$9.85** for all other drugs.

Get Help Paying for Your Prescription Drugs

Extra Help

Extra Help is a free Medicare program and is known as Low-Income Subsidy (LIS). It helps people with low or limited income and resources pay Medicare Part D drug plan costs.

What do you get with Extra Help?

- Payment of 75% or more of your drug costs. These include your monthly premium for prescription drugs (**the amount you pay each month**).
- Payment of your annual deductible (**the amount you pay before your plan starts to pay**).
- Payment of coinsurance costs (**the percentage you pay for your prescription drugs**).
- No coverage gap.

You automatically qualify for Extra Help if:

- You have full Medicaid coverage.
- You get help from your state Medicaid program to pay your Part B premiums in a Medicare Savings Program.
- You get Supplemental Security Income (SSI) benefits.

Many other people with low or limited income also qualify for Extra Help and don't know it!

There is **no cost** to apply. Contact your local Social Security office or call Social Security at **800-772-1213** (TTY: **800-325-0778**). You can also apply online at **ssa.gov/benefits/medicare/prescriptionhelp/**.

2022 Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **877-224-8220** (TTY: **711**), 8 am to 8 pm, seven days a week.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **connecticare.com/medicare** or call **877-224-8220** (TTY: **711**) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/co-insurance may change on January 1, 2023.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
