  - Review the changes to Medical care costs (doctor, hospital)
  - Review the changes to our drug coverage, including authorization requirements and costs
  - Think about how much you will spend on premiums, deductibles, and cost sharing
- Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

##### 2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](https://www.medicare.gov/plan-compare) website or review the list in the back of your *Medicare & You 2023* handbook.

- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

## SECTION 1 Changes to Benefit and Cost for Next Year

### Section 1.1 – Changes to the Monthly Premium

Cost	2022 (this year)	2023 (next year)
<b>Monthly premium</b>	<b>\$70.00</b>	<b>\$67.00</b>
(You must also continue to pay your Medicare Part B premium.)		
<b>Optional Supplemental Dental</b>	<b>\$29 or \$39</b>	<b>\$10 or \$23</b>

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

## Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2022 (this year)	2023 (next year)
<b>Maximum out-of-pocket amount</b>	<b>\$5,500</b> (In-Network services)	<b>\$5,500</b> (In-Network services)
Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	<b>\$10,000</b> (Out-of-Network services)	<b>\$10,000</b> (Out-of-Network services)  Once you have paid <b>\$5,500</b> out-of-pocket for covered in-network Part A and Part B services and <b>\$10,000</b> out-of-pocket for covered out-of-network Part A and B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

## Section 1.5 – Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

## Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by September 30, 2022, please call Member Services and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Member Services for more information.

**Important Message About What You Pay for Insulin** - You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible.

## Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
<p><b>Stage 1: Yearly Deductible Stage</b></p> <p>During this stage, <b>you pay the full cost</b> of your Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug), and Tier 5 (Specialty Tier) drugs until you have reached the yearly deductible.</p>	<p>The deductible is <b>\$300</b>.</p> <p>During this stage you pay <b>\$9</b> standard cost sharing and <b>\$2</b> preferred cost sharing for drugs on Tier 1 (Preferred Generic);</p> <p><b>\$20</b> standard cost sharing and <b>\$10</b> preferred cost sharing for drugs on Tier 2 (Generic);</p> <p>and the full cost of drugs on Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug), and Tier 5 (Specialty Tier) until you have reached the yearly deductible.</p>	<p>The deductible is <b>\$300</b>.</p> <p>During this stage you pay <b>\$9</b> standard cost sharing and <b>\$2</b> preferred cost sharing for drugs on Tier 1 (Preferred Generic);</p> <p><b>\$20</b> standard cost sharing and <b>\$10</b> preferred cost sharing for drugs on Tier 2 (Generic);</p> <p><b>\$0</b> standard cost sharing and <b>\$0</b> preferred cost sharing for drugs on Tier 6 (Select Care Drugs);</p> <p>There is no deductible for covered Insulins or eligible vaccines. ## SECTION 2 Deciding Which Plan to Choose

### Section 2.1 – If you want to stay in ConnectiCare Flex Plan 3 (HMO-POS)

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our ConnectiCare Flex Plan 3 (HMO-POS).

### Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2023 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2). As a reminder, ConnectiCare, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from ConnectiCare Flex Plan 3 (HMO-POS).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from ConnectiCare Flex Plan 3 (HMO-POS).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Connecticut, the SHIP is called **CHOICES** (Connecticut’s program for **H**ealth insurance assistance, **O**utreach, **I**nformation and referral, **C**ounseling, **E**ligibility Screening).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. CHOICES counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call CHOICES at 1-800-994-9422. You can learn more about CHOICES by visiting their website ([www.ct.gov/agingservices](http://www.ct.gov/agingservices)).

## SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Connecticut AIDS Drug Assistance Program (CADAP).
