Section I – Introduction

This booklet provides a list of ConnectiCare’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and ConnectiCare’s Medicare formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under ConnectiCare only if they are filled at a network pharmacy or through our Mail Order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/2/2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with “Preferred” to distinguish them from other pharmacies in our network that offer standard cost-sharing. We have marked the pharmacies that offer standard cost-sharing with “Standard.”

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts Home Delivery Service. With Express Scripts Home Delivery Service, you have the choice to sign-up for automated mail order delivery. Enrollees should expect to receive their prescriptions within 3-5 business days for refills and 14 business days for a new prescription. If your prescriptions do not arrive within this time frame, please call Express Scripts at **877-866-5828**. For more information, please contact us or see the Mail Order section of this pharmacy directory.

This directory is for the State of Connecticut, including the area in which you live such as the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland, and Windham. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call ConnectiCare’s Member Services Department at **800-224-2273**, 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call **711**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact ConnectiCare.

**Section II – ConnectiCare Medicare Advantage Network Pharmacies:
Mail Order**

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts Home Delivery Service.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting Express Scripts at **877-866-5828**. TTY users please call **800-899-2114**. They are open 24 hours a day, seven days a week.

If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the automatic refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please call Express Scripts at **877-866-5828**. TTY users please call **800-899-2114**. They are open 24 hours a day, seven days a week.

Typically you should expect to receive your new prescription drugs within 14 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Express Scripts at **877-866-5828**. TTY users please call **800-899-2114**. They are open 24 hours a day, seven days a week.
