

For group plan members

Your FlexPOS plan gives you a nationwide network of care

You can get in-network care from health care providers who belong to the First Health® national network. You can also use pharmacies in the nationwide Express Scripts network.

So, wherever you go in the United States, you can find:

- Doctors and specialists
- Pharmacies
- Hospitals
- Radiology centers, labs and other facilities

Plus, you have emergency coverage worldwide.*

**Exclusions and limitations may apply.*

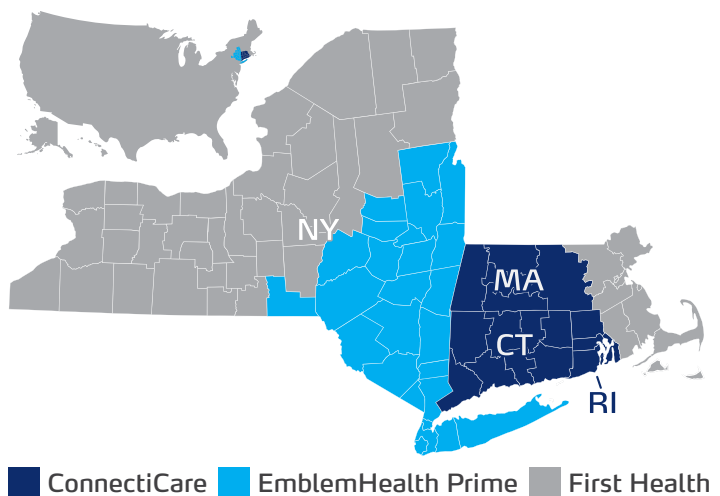

Telemedicine travels too.

You can reach a doctor 24 hours a day from anywhere with Teladoc® telemedicine.

Call **800-835-2362**,
visit teladoc.com/connecticare
or download the Teladoc® mobile app.

More on our networks

ConnectiCare and its parent company, EmblemHealth, manage networks of doctors and facilities in the areas of Connecticut, New York, Rhode Island, and Massachusetts shaded on this map. Beyond those areas, you would utilize the First Health Network.

ConnectiCare

To find a doctor in the United States

Go to “Find a Doctor” on connecticare.com and answer a few questions about what kind of health care professional you need and how you get your health insurance. Then you’ll be asked to choose your plan. **Select “FlexPOS” as the plan type.**

Choose the EmblemHealth Prime network if you are looking for a provider in one of the following 28 counties:

Albany	Nassau	Schenectady
Bronx	New York	Schoharie
Broome	Orange	Suffolk
Columbia	Otsego	Sullivan
Delaware	Putnam	Ulster
Dutchess	Queens	Warren
Fulton	Rensselaer	Washington
Greene	Richmond	Westchester
Kings	Rockland	
Montgomery	Saratoga	

To find an EmblemHealth Prime network provider, select the quick link in red text located at the top of the provider search page.

Tips for locating a First Health Network provider

To see a full list of Primary Care Providers (PCPs) in network for FlexPOS members, including First Health Network (FHN) providers, search using the All Providers tab. You can choose from Adolescent Medicine, Family Medicine, General Practice, Geriatric Medicine, Internal Medicine, Pediatric Medicine, or Preventive Medicine.
