What happens next?

Applicants have the right to review the information submitted in support of their application and to correct erroneous information. ConnectiCare will notify the applicant of any information obtained during the credentialing process that varies substantially from the information submitted.

Please note: The email addresses above are for the submission of new applications only. Our credentialing team will reach out to you if additional information is needed. We recommend waiting at least 60 days before checking the status of your application by calling our Provider Customer Services team:

ConnectiCare: **800-828-3407**

If you have an account for our secure provider portal, **connecticare.com**, you can check your practice profile to see if your participation has changed.

CAQH requires providers to validate their information every 120 days. Recredentialing occurs every three years and relies on the CAQH application. Please keep your information current and ensure EmblemHealth remains an authorized plan.
