Important information		
• This is a brief summary of benefits. Refer to your ConnectiCare Insurance Company, Inc. Evidence of Coverage (EOC) for complete details on benefits, conditions, limitations and exclusions. All benefits described are per member per calendar year. • 90-day supply of select maintenance medications are available to be filled at any pharmacy in the network. • Ovarian cancer screening and monitoring services, coverage and cost share details are available in your EOC. • Mammogram screenings, breast ultrasounds, and breast MRIs – Please refer to the EOC for details. • Insulin and noninsulin drugs are covered up to a cost share maximum of \$25 for each 30-day supply. • Diabetes Devices and Diabetic Ketoacidosis Devices are covered up to a cost share maximum of \$100 per 30-day supply. • Please refer to the EOC for additional cost share maximums regarding diabetic services. Some diabetic services fall under preventive care and cost share may be waived. • An ambulatory surgery center is a facility that exclusively provides outpatient surgical services to patients who do not require hospitalization and whose expected stay in the center does not exceed 24 hours. Ambulatory surgery centers are not owned by a hospital. • An outpatient hospital facility offers surgical procedures and related care that, in the opinion of the attending physician, can be safely performed without requiring overnight inpatient hospital care. Outpatient hospital facilities are owned by a hospital or hospital system. • If you have questions regarding your plan, visit our website at www.connecticare.com or call us at (860) 674-5757 or 1-800-251-7722. • To learn more about your Teladoc® benefits contact Teladoc® at teladochealth.com/connecticarecore or call 1-800-835-2362 (TTY: 711). • Out-of-Network reimbursement is based on the maximum allowable amount. Members are responsible for paying any charges in excess of this amount. Please refer to your ConnectiCare Insurance Company, Inc. EOC for more information. • Under this program covered prescription drugs and supplies are put into categories (i.e. tiers) to designate how they are to be covered and the member's cost-share. The placement of a drug or supply into one of the tiers is determined by the ConnectiCare Pharmacy Services Department and approved by the ConnectiCare Pharmacy & Therapeutics Committee based on the drugs or supplies clinical effectiveness and cost, not on whether it is a generic drug or supply or brand name drug or supply. • Amounts paid by members because they must pay a price difference for a brand name drug do not count towards meeting any deductible, coinsurance, copayment, coinsurance or cost share maximum. • Most specialty drugs are dispensed through specialty pharmacies by mail, up to 30-day supply. Specialty Pharmacies have the same member cost share as all other participating pharmacies and are not part of the ConnectiCare's extended day supply program. • Many services require that you obtain our Prior Authorization prior to obtaining care. Please refer to the "Prior Authorization Addendum" in your EOC for a detailed list of services or call member services at 1-800-251-7722. Without Prior Authorization for medically necessary covered services prescribed or rendered by Non-Participating providers, benefits may be reduced by the lesser of \$500 or 50%. • For mental health and substance use disorder services call 1-888-946-4658 to obtain Prior Authorization. • In-network preventive and wellness services as defined by the United States Preventive Service Task Force (USPSTF), including immunizations recommended by the Advisory Committee on Immunizations Practices at the Centers for Disease Control (CDC), and preventive care and screenings supported by the Health Resources and Services Administration (HRSA) are exempt from all cost shares under the Patient Protection and Affordable Care Act (PPACA). Visit our website at www.connecticare.com to view a list of preventive and wellness services.
